AUTOMATION SERVICES

We have the resources and the people to see your projects through every phase. This is where we truly put Dependable People, Real Solutions to the test. Whether you're improving the workflow of your facility or building a unique application, you can count on our specialists to guide you through every obstacle.

INVENTORY SERVICES

The Inventory Services Group has several programs that offer different levels of service. From basic routine deliveries and counts to completely automated and internet-based solutions, we can find a solution that works best for you.

GOVERNMENT SERVICES

Our knowledge of government procurement systems enables us to provide you the best service with a vast inventory of products courtesy of our strategic distribution network. We understand what it means to procure more for less, and we're prepared to ensure your needs are met.

Product

- Military Spec Product (Mil Spec)
- ABS Certified Product

Certified Supplier Delegated Inspection

- Military System Inspection I-45208A
- Military Quality Inspection Q-9858A

World Wide Logistics

- Shipping
- Customs

Kitting

- Component Kitting
- Project Kitting
